Notice No: SNGGDCG/99

Date: 18/12/2021

In connection with the **West Bengal Student Credit Card Scheme**, a pet project of our **Honourable Chief Minister Smt. Mamata Banerjee** for the benefit of the students' community in our state, it has been decided that several seminars will be organized by our college to generate awareness among our students about this beneficial project.

The aim of this seminar is to explain the students with the **Know-How of the registration process and the loan application under this scheme** and also to provide them with answers of **FAQs (Frequently Asked Questions)** which they may find useful.

The schedule of the first two seminars are on **Monday, 20/12/2021** and on **Monday, 27/12/2021 both from 7:30 PM onwards.**

Since an offline programme in the college premise is not possible on those two dates due to ongoing Municipal Election and vote counting process, the mode of these two programmes will be **online** through **YouTube Live**.

All students of our college **MUST** attend these two online seminars without fail. **The invitation links and students' attendance links** of these **two programmes** will be published in the **Student Notice Section** of **our college website** very soon. All students are instructed to remain vigilant and visit the college website **frequently** to remain updated about any further news associated with these two programmes.
