Candidates who have already been admitted to other colleges/institutions are required to cancel their admission to those colleges/institutions before their provisional admission to our college is confirmed.

If you wish to take admission to another college or institution, please note it is essential to cancel your admission at our college. The University of Calcutta permits candidates registration from a single college/institution only. On your request, we will issue a transfer certificate which will ensure your registration under University of Calcutta and also help you to collect the refund of admission fees from our college. If required, use the option to Cancel Admission online.
